

Instructions for adjusting Internet Explorer Settings for online material

Internet Explorer (Screen Shots on next pages)

1. Click on the Tools-menu.
2. Select Internet Options in the menu - a new window opens.
3. Click on the Privacy or Security tab near the top of the window.
4. Click on the Default button of the window.
5. Move the slider so that it is on one of the levels below Medium High (including Medium, Low, Accept All Cookies).
6. Save changes by clicking OK.
7. Click on the Tools-menu again
8. Select Pop-Up Blocker
9. Click on Turn Off Pop-Up Blocker
10. You may now return to your course. Your link should open in a new window when you click on it.
